3sHealth provides province-wide shared services to support Saskatchewan's health system. Working together with health system partners, 3sHealth finds innovative solutions to complex problems so that health care will be sustainable for future generations. 3sHealth places patients and their families at the centre of all that it does, working with partners to improve quality and ensure patient safety. 3sHealth provides payroll and scheduling services, employee benefits, dictation and transcription services, linen services, provincial contracting, and transformational services to the Saskatchewan health system

#### Job Summary:

Reporting to the Vice president, Corporate Services, this position is responsible for leading the Supply Chain and Provincial Contracting department in providing an integrated service for all aspects of Provincial Contracting - from identification of a need by a user department, to the end stage of product conversion planning, and vendor and contract management. This position assists the Saskatchewan Health Authority, the Saskatchewan Cancer Agency, and partner organizations in achieving operational efficiency in the selection and provision of patient care products, goods and services. The materials and services needed shall be provided in the most efficient and economical manner consistent with acceptable quality standards.

#### Required Qualifications

- Business degree or equivalent courses/experience courses, plus a minimum of 5-10 years management experience.
- Professional certification in PMAC and/or NIGP is considered an asset.
- Lean Leader Certification (or willing to begin training immediately)
- Completion of a leadership program - either the Saskatchewan Health Leadership Program or equivalent formal education in leadership.

#### Experience:

Minimum of six years progressively responsible experience in health care supply chain/procurement environment, or equivalent experience.

#### Additional Text:

**To apply for this position please include a cover letter and resume to [careers@3shealth.ca](mailto:careers@3shealth.ca).**

Prior to being offered the position with 3sHealth, the selected candidate will be required to complete a criminal record check.
